Waiting Periods

Condition	Waiting Period
Initial waiting period (all illnesses)	30 days from policy inception
Pre-existing diseases (PED)	36 months (reduced to 12 months with PED waiver add-on)
Specific listed diseases (cataract, hernia, etc.)	24 months
Maternity benefit (optional add-on)	24 months from policy inception
Accidents	No waiting period

Key Exclusions

• Cosmetic or aesthetic procedures not caused by accident or disease. • Dental treatment unless due to accident requiring hospitalisation. • Obesity treatment and weight-loss surgery. • Experimental or unproven treatments. • Self-inflicted injury, suicide attempt, drug or alcohol abuse. • War, nuclear, biological, or chemical events.

Tax Benefits

• Section 80D: Premium paid for self, spouse, and children qualifies for deduction up to ₹25,000/year (₹50,000 if any insured member is a senior citizen). • Additional deduction of up to ₹25,000 (or ₹50,000 for senior citizens) for parents' health insurance. • Preventive health check-up expenses up to ₹5,000 are included within the 80D limit.

Who Should Buy

• Any family without employer-provided group health cover. • Families with pre-existing conditions: opt for PED waiver add-on. • Recommended minimum: ₹10 lakh floater for a family of 4 in Tier 1 city. • Young families (25–35): lock in at low premium and build NCB over years. • Self-employed individuals whose employer does not provide group cover.
